

MARSHALL REPUBLICAN

VOLUME XXII.

MARSHALL SALINE COUNTY MISSOURI FRIDAY, AUGUST 1, 1913.

NUMBER 31

DEATHS

GEO. R. SHAFER

George R. Shafer, 28 years old, died Sunday, July 27 at 4:35 p. m. at his home 303 East North street of tetanus, caused by a bunion on the sole of his foot. Mr. Shafer was stricken with nervous chills and convulsions while attending a funeral at Ridge Park Tuesday morning, July 23 and there was little hope for his recovery from the first.

The death is a particularly sad one, due to the fact that he was married May 29, just two months ago in this city to Miss Mary Elizabeth Hart. Upon this day the bride was graduated from Missouri Valley college and the two events were celebrated upon the same day.

Mr. Shafer has been the junior member of the Campbell-Shafer undertaking establishment in this city for the past two years. He came to this city from Lawrence, Kansas, where he had been in the undertaking business for sometime.

Mr. Shafer is survived, besides the young wife, by his parents, Mr. and Mrs. Josephus Shafer of Assumption, Ill., and one sister, Mrs. L. L. Long, also of Assumption and his paternal grandmother, who is 83 years old. The parents and sister have been here since the beginning of his serious illness.

Mr. Shafer was a member of the Knights of Pythias, Elks and Eagles lodges and also belonged to the state association of undertakers in Illinois and Kansas.

The funeral took place Wednesday at the Christian church of which he was a member at 2:30 p. m. and was conducted by Elder B. T. Wharton. Burial was at Ridge Park cemetery.

JOHN HOWARD

John Howard, brother of Charles L. Howard, proprietor of the Howard hotel, died Wednesday, July 23, at Dallas, Texas. The remains were brought to Nelson Saturday and the funeral service took place at 11 a. m. at the Baptist church and was in charge of Rev. B. G. Reed. Besides the brother mentioned above, a sister, Mrs. Glenn Townsend of Arrow Rock survives. The remains were laid to rest in the Nelson cemetery beside the grave of the wife, who died several years ago.

Mr. and Mrs. Chas. Howard went to Nelson on the Missouri Pacific train to attend the funeral.

MRS. ELIZABETH KEYTON

Mrs. Elizabeth Keyton, 58 years old, died Tuesday, July 29, at 1 o'clock p. m. at the country farm. She fell and broke her hip recently and this combined with her advanced age, caused the death. She is survived by three children, Henry Keyton, Mrs. Julius Oster and Mrs. Noel Chamberlain, all of Saline county and one brother, Thomas Boatright of this city.

Burial was at Ridge Park cemetery at 9 o'clock Wednesday morning. Rev. J. E. Corrier conducted the funeral service at the grave.

DAVID HUMPHREYS

David Humphreys, about 45 years old, died at his home two miles west of Blackburn Sunday, July 27 at 10 o'clock p. m. of typhoid fever. He is survived by a wife and three children. The funeral took place at Grand Pass Monday and was conducted by Rev. Bedsworth of the Methodist church.

ISAAC Y. CHRISTMAN

Isaac Y. Christman, 70 years old, of one-half mile west of Grand Pass, died of kidney trouble at his home Saturday morning, July 26. Mr. Christman had been seriously ill only a few days and his death was very unexpected. The funeral took place Sunday at Grand Pass. He is survived by a wife and two children.

CARD OF THANKS

We wish to thank our friends and neighbors for their kindness shown us during the sickness and death of wife and mother.

T. S. GARNER and Children.

CONTRACTS LET.

The contract for paving Yerby St., was let to W. C. Jones of Kansas City at \$1.44 per square yard by the city council Thursday, July 24. The contract for curbing yerby was let to Tom L. Green for 30c and 25c per foot.

Mrs. S. D. Berkley, who has been so seriously ill, is reported to be much improved in health.

KILLED BY TRAIN

An unfortunate accident occurred at the rock quarry one fourth of a mile east of Napton, Tuesday morning which resulted in the death of Henry Hufford, aged 28 years. The laborer was at work in the quarry which is near the Mo. Pacific track, and started to cross the track to get a drink of water, not realizing that passenger train No. 631, the merry-go-round, that reaches here at 9 o'clock was due. He did not hear or see the train and he was killed instantly. Both legs were broken, his skull fractured and three ribs were broken.

The deceased leaves a wife and two children, was a citizen of Marshall until a few weeks ago, he moved to the Nelson neighborhood.

Dr. J. E. Connell went to Napton this morning and held an inquest over the body. The following was finding of the coroner's inquest: We the jury, find that Henry Hufford, came to his death from injuries received by being struck by Mo. Pacific passenger train No. 631, by crossing the track of said company. We believe from the evidence heard in this case that the death of the said Henry Hufford was an accident, and not due to negligence upon the part of any other person.

WM. M. THORP, Foreman

W. E. SHACKELFORD
DR. J. E. CONNELL, Coroner

IN MEMORY OF ELLA HINNAH

Once more the death angel has winged its way and plucked from our midst a tiny blossom, a bud of purity and sweetness beloved by all who knew her.

Ella W. Hinnaah beloved daughter of Frank and Amanda Hinnaah, died July 26th at the tender age of 1 year 9 months 5 days, the date of her birth being Oct. 21st, 1911.

The funeral took place Monday the 28th, conducted by Rev. Buck, at the Evangelical church near Little Rock with interment on near by cemetery. The pall bearers were 4 Sunday school scholars, Minnie and Clara Hennings, Martha Rinne and Ida Borer.

How well Ella was loved was shown by the beautiful floral offerings which entirely covered the little mound and snowy casket. She had been a patient sufferer since July 4th of a complication of bowel trouble and bronchial pneumonia. She leaves a father, mother and brother, loving grand parents and many sorrowing friends to mourn her early leave taking.

A COUSIN.

IN MEMORY

(Contributed)
Mrs. Margaret C. Garner, wife of T. S. Garner died at her home in Napton Saturday, July 19, after a long illness of several months.

Mrs. Garner joined the Christian church when she was 14 years old and was always a true and faithful member.

She was born in Bath county, Ky., July 6, 1850, and was 53 years old at the time of her death. She was married to Thomas S. Garner, Dec. 17, 1880. They moved to Saline county in 1891 and have lived here ever since.

Mrs. Garner had been suffering with a sarcoma on her limb since last October and had been bedfast since March. Her sincere faith in God made her a sweet and patient sufferer, and she knew she was being death and made the remark to several that she was ready and willing to go.

Every thing that loving hands could do was done for her, but her work on earth was finished and God called her home.

Six children were born to this union, who with the husband survive her: Mrs. Frank W. and Mrs. Manuel Alexander of near Marshall; Mrs. John M. Berry of Kirksville, Mo. and Misses Annie and Mabel at home.

The funeral service was conducted at the Baptist church in Napton at 5 o'clock Sunday afternoon and a large congregation of friends were there to show their appreciation of the noble life just ended. Rev. B. T. Wharton had charge of the services. Burial was at Napton cemetery.

J. L. Roberts and wife were in St. Louis the first of the week visiting friends. Mr. Roberts went on to Chicago on business.

ARM WAS BROKEN

Miss Ruth Saunders, daughter of Mrs. Alice Saunders of this city had the ill fortune to break her right arm near the wrist, Monday morning about 8 o'clock, when she was thrown from a buggy by a runaway team, near Miami. Miss Saunders has been visiting her sister, Mrs. Frank Long, south of Miami and had been in town to buy supplies and was returning to the Long home, when the accident occurred. A four-mule team drawing a wheat wagon took fright at an automobile, when the two met at the Akerman corner, south of Miami. Miss Saunders had just passed the wheat wagon when the leading team whirled back, breaking the tongue off the wagon and releasing both teams of mules. One team ran up behind Miss Saunders' buggy and attempted to pass one on each side of it. The check reins caught the top of the buggy and dragged it over the occupants, threw them out on the ground and Miss Saunders across the shafts in front of the horse.

In the buggy with Miss Saunders were William Long, son of Mr. and Mrs. Frank Long and Edmund Dunn, son of Mr. and Mrs. Robt Dunn of this city.

The horse began to run and the young lady's arm was caught by the wheel, causing the fracture. The children were unhurt.

TWO FIRES

The city firemen were summoned to the home of Wm. D. Bush on Eastwood about 6:30 o'clock Monday evening to quench a small blaze in the Bush culinary department. It seems that some member of the household had attempted to build a fire in the cook stove and to expedite matters used coal oil. There was an explosion which set the kitchen afire. The damage was slight.

The fire alarm was turned in about 2:45 Tuesday afternoon calling the fire lads to the Myers & Bell dry goods store on the northeast corner of the square. Mr. Whittington, a painter, was burning off the paint from Jack McChesney's sign over the store and Myers & Bell's awning caught fire from the blow lamp which he was using. The two awnings in front of the store were completely destroyed. Otherwise the damage was slight.

TO NEWTON, KANSAS

Wm. Mitchell, formerly of Saline county, who has been at Emporia, Kas., for sometime has moved to Newton, Kas. he informs us in a letter requesting that we change the address on his paper to Newton.

Mr. Newton says in the letter: The weather is pleasant out here now, but country needs more rain. I think there has been enough rain fall in and around Emporia to make crops on such soil as Saline county, Mo., has (mostly) but the soil is very different here and it has been extremely hot, with hot winds. We are all leaving Emporia: Ed. has there. Nelle has a position in one going to Junction City. He has gone (or rather going) into business of the schools in Newton. We no there. All are as well as usual.

AMONG OUR FRIENDS

The following are new subscribers or renewals during the past week: Mrs. Barbara Hillen, Kansas City. J. L. Rogers, Grand Pass, Mo. Doc Nichols, Marshall. J. T. Uss, Mayview, Mo. Wm. F. Green, Malta Bend. T. T. Claycomb, R. 2, Marshall. Walter Jackson, Blackburn. C. K. Scott, Broadway, Clarksville, W. Va. Stephen Downs, R. 2, Miami. John Smith, Booneville, Mo.

TWO FINGERS MASHED

Will Clark had the ill fortune to have two fingers on his right hand badly mashed Thursday afternoon while working on a threshing machine out on the farm of W. C. Kelms, five miles southwest of Marshall, in attempting to move a water tank it fell on his hand causing the above accident.

SOLD THE DIXIE

Manager Dale of the Dixie Airdome sold the picture show this week to Scott & Taylor of Booneville. They will take charge of the business August 1. They have also leased the old Lyric stand on the south side of the square and will open up there when the weather gets too cool for the tent theatre.

Grimsey Cooper and wife of Louisville the first of the week visiting friends. Mr. Roberts went on to Chicago on business.

CLUB MEETING

Two years ago the Federation of Missouri commercial clubs was organized in the city of Hannibal, representatives from 40 commercial clubs, in the state being present; since then the Federation has held two state-wide conventions; one at Jefferson City in February, 1912, and the last at Moberly in February of the present year. They were both great meetings, and the enthusiasm and interest engendered by them has developed the Federation into a powerful factor for concerted progressive action in the state.

The objects briefly stated, are first to impress upon the people of the older states, who are looking for new farm homes, that quality and price considered, Missouri farm lands are the best in the United States today; secondly that this great commonwealth located here in the very heart of the great Missouri valley, in the heart of the corn belt the "bread basket" of the world, with its agricultural lands, thousands of acres of rich coal beds with unlimited quantities of lead, zinc, iron ore and lumber, with more than 8,000 miles of railroads, undeveloped water power facilities, which can be made to furnish cheap power, offers the finest field today for new factories and industrial enterprises in the nation. Third the Federation will seek to encourage every wholesome movement, which will make Missouri the best state, to make money in, and the very best state to live in.

What is needed just now above everything else is to arouse enthusiasm in the fact that Missouri is the most remarkable state in the union, and let the contagion spread to those who live beyond our borders. Why are we not great, when in addition to the many things already mentioned? Saline county alone can boast having produced 344,000 bushels more corn last year than all of the New England states, half dozen counties in southeast Missouri, raised last year almost four times as much cotton as Virginia and 10,000 bales more than Florida, these same counties produced at the same time millions of dollars worth of wheat, corn, alfalfa, watermelons etc.

The live stock interests of the state have always stood in the front ranks to say nothing of the Missouri mule and last but not least the Missouri hen.

The Federation encourages the farm advisor and believes the question of better public highways is the most important problem in the state today.

We learn from G. A. Radford that Wm. Bell, one of the Federation speakers will address a meet at the court house Friday evening, August 1st, and it is hoped he will be greeted by a large audience.

Eld. A. N. Lindsey of Clinton, who will be remembered as having held a meeting at the Christian church, here several years ago is the general secretary, and writes Mr. Radford that Mr. Bell, is a good talker.

BULE-WHEELAND

Artie E. Bule and Miss Nancy A. Wheeland, both of Sweet Springs were united in marriage at the Christian church parsonage Monday, July 28 at 12 o'clock noon, Elder B. T. Wharton officiating. The newly wedded couple will reside on the Bule farm near Mt. Leonard.

McCLEERY-DOWNS

Mr. and Mrs. C. W. Downs have announced that the marriage of their daughter, Jarretta Cathryn, to Francis Earl McCleery will take place Sunday, August 3 at 1:30 p. m. at Marshall, Mo.

DAVIS-MERRY

Ben C. Davis and Miss Gertrude Merry were united in marriage, July 23 at the home of Elder B. T. Wharton, he officiating. Mr. and Mrs. Davis will reside at Wanamaker, Mo.

ICE CREAM SOCIAL

There will be an ice cream social at the Hardeman church, Friday evening, August 5. Every one invited.

KICKED BY MULE

Will Thomas, Jr. of Nelson was kicked in the stomach by a mule last week. The accident while very severe will not result seriously, it is thought.

W. F. Steffer and wife of Gilliam were transacting business in the county seat Tuesday.

Schuyler—Queen City, September 18-19.

Scotland—Memphis, August 26-29. Scott—Sikeston, September 24-27.

Shelby—Shelbina, August 26-29. Sullivan—Green City, Aug. 19-22.

Warren—Wright City, Aug. 20-22.

A SURPRISE PARTY

W. C. Keirn, of five miles southwest of Marshall, gave a very agreeable surprise to his father, Nathaniel Keirn, on his 79th birthday, by inviting a number of guests to spend the day with him, Tuesday, July 22. At the noon hour a very sumptuous meal was spread.

Those present besides W. C. Keirn and wife and the honored guest included T. D. Keirn and family, Fount Keirn and family, Ernest Keirn and wife, J. A. Burgess and wife and Miss Mildred Herndon.

Mr. Keirn is in excellent health for one of his advanced age and it is the wish of his many friends that he will live to enjoy a large number of such happy birthday occasions.

NESBITT-FRENCH

Miss Laura Katherine French of Corning, California, formerly of Saline county and Mr. Harry Nesbitt of Watsonville, California, were quietly married in Red Bluff, Tuesday morning, July 23, 1913.

Miss French is the second daughter of Mr. and Mrs. R. W. French of that city. She is sixteen years of age.

Mr. Nesbitt is an employee of the Southern Pacific and is twenty-three years of age. His people live in Pasadena.

The young couple will make their home in Watsonville.

IN JUSTICE MASON'S COURT

Ben Powell, a Kansas City colored man, was arrested Monday by Constable E. B. Clawson, for displaying a knife and raising a general disturbance among the colored citizens of West Marshall. Powell was tried in Justice Geo. L. Mason's court Tuesday and was presented with 60 days free board and lodging in the county bastille.

CAR OF MULES

J. W. Richardson of Shackelford shipped a car load of mules to Fort Worth, Texas, July 24.

GOOD ROAD DAYS

The following is Governor Major's "Good Road Days" proclamation.

"Whereas, the public roads of the commonwealth are its highways of commerce, constituting the strongest link in the chain of commercial greatness, and

"Whereas, no achievement can bring quicker, surer and more lasting benefits to our citizens and pay a heavier dividend than the construction and improvement of our public roads, and

"Whereas, the state will this year contribute and pay to the people for good road purposes more money from the public funds than the total sum paid in any three years in the past, and

"Whereas, every citizen is directly interested and benefited by road construction and betterments:

Declared Public Holidays.

"Now, therefore, I, Elliott W. Major, governor of the state of Missouri, do hereby set apart Wednesday and Thursday, August 20 and 21, 1913, for road work in Missouri, and designate these two days as "Good Road Days" and declare same public holidays and request that all other business be suspended as far as possible, and that every able bodied citizen labor upon the public highways of the state those two days, and that the work performed be such as will make a lasting and permanent improvement, such as road grading, culvert building, ditching, graveling, dragging, etc.

"I call upon the county court of each county to issue a proclamation calling upon the people to turn out and labor and see to it that the county is fully and completely organized, so the work will reach to every neighborhood and be conducted in a systematic and business way, to the end, that when the sun shall have set the second day there will be left no community in all the state where the hand of progress and toil has not left its mark in permanent road improvement, and the progressive spirit its impress in the hearts and minds of the people.

"I call upon the country and the city press to assist in organizing and bringing to the roads for work an army of labor volunteers, grander far than the brilliant pageantry of martial splendor, and whose song of progressive achievements will be sweeter than the rattle of arms.

Calls Road Organizations to Aid
"I also call upon the road overseers, road associations, commercial and booster clubs of the commonwealth to give us their active and united support in carrying to a successful completion this undertaking.

"Let the women of Missouri share in the work and glory. I therefore call upon them to prepare dinners and see that they are served to the laborers along the way. These two good road days will mark a new epoch in the history of Missouri, and in our zeal for road building, it will be the most stupendous two days' public work ever given in the history of the republic and will stand unequalled, unique and absolutely alone.

"Let every Missourian show by his work he is for the internal improvement of the state. Let us labor that we may enjoy the fruits today and our children a fuller fruition tomorrow. There is no more certain way of advancing our state and interests of all than through our roads. Around the history of ancient Rome still towers the Appian Way.

Returns a Hundred Fold
"Let us labor with a partitioned and interest never felt before. At the lowest estimate the improvements placed upon our roads and highways during these days will total one and one-half million dollars.

"By this simple procedure, a million days' work will be placed upon our highways, benefitting the present and in the coming years will bring a return of an hundred fold and give the good road movement an impetus which will not cease until in this respect we stand first among the states.

"As Missourians have ever been the pioneer in Western achievement and civilization, let us now lead the way to a new day in roadwork and improvement."

BANK OF SALINE ELECT.
On account of the retirement of R. E. Holloway as cashier of the Bank of Saline a re-organization and election of officers has taken place. The officers are as follows: G. A. Radford, president; H. C. Francis, cashier; Dr. Earl Sharp, bookkeeper.
